WASHEGUM

WE THE SENIORS OF 1954 DEDICATE THIS YEARBOOK TO ALL
THE FRIENDS AND ALUMNI OF BOTTINEAU HIGH SCHOOL

PORTALS OF DESTINY

Within these covers, we the staff, have attempted to embody the spirit of the student body and of the school.

We hope that in future reminiscing, this book will help recall the years spent at Bottineau High.

THE JOLLY JUNIORS

The future wheels of BHS wish to submit the following report as to this busy year of 1954.

Busy isn't the word for it. Ever junior on guard so as not to let the prom theme out and everybody in a tizzle over the work to be done. After a long hard discussion with a few rounds of fists and hammering of heads together we decided and settled down to getting the supplies and the decorations, and the hard work began.

If you happen to see Mr. Borchert lately and he looks a little tired and haggard, you might have a little pity for him. It seems the chemistry class was not blessed with budding geniuses.

And then we can't forget our play "WE SHOOK THE FAMILY TREE". Brother we really shook it when Audrey called her da a drunkard and whatnot. Kenny seemed to steal the show with his problem of having to wear knickers because his mother didn't want to look old. We can't forget Phyllis who likes to play postman and Wayne and Wendell with all their friend trouble.

Again the juniors proved that they were not such a dull class by walking off with the winning float at homecoming. It was the red and white candy cane float "Lick Em". It almost looked real.

And what would we have done without our junior athletes Wayne, Gordon, Roger and Tim. It was hard sledding but they gave all they had and they helped make one of the best teams Bottineau ever had. To mention those in track and football would be a little hard to do but we were right behind them pulling all the way. To mention those in Concert Choir and Band would be too numerable so we'll just say we were well represented.

That's just about all there is to report except we'll see you again next year.

Sophomore Soap

Last year's greenhorns are really getting into the swing of things now. Here are just a few things to prove this.

We girls did many strange things in home ec., like visiting the slaughter house. Luckily we all came back in one piece. We also played nursemaid for a day. We hate to admit it but we had fun playing the old games like London Brudge, Ring-Around-the-Rosy, etc.

There are many sophomores in band, chorus, and smaller musical groups including soloists. We are also well represented in athletics.

To sum up history class we'll quote Miss Stewart as she said, "I often wonder what the sophomore class is coming to." Oh, well, cheer up, Miss Stewart, Edison was considered a dunce in school, too, and look at how much he added to history.

There is never a dull moment in English class. For instance, recently a specimen of *Melanoplus bivittatus* (grasshopper in other words) somehow got into English class and, we hate to tell you this, Mr. Borchert, but Mrs. Weeks didn't seem to appreciate it. (Somehow it didn't seem to fit in with our study of "Julius Caesar".)

Speaking of grasshoppers, in biology class we had a lot of fun taking things apart to find out what makes them tick.

We boys have fun chasing greased pigs or some such things during ag. classes.

Of course there are some in our class who had to be different and they took Latin II and general business.

We did something new this year by ordering class pins. However there seem to be some boys who have already "lost them"?!!?

Thanks to our advisors Mrs. Weeks and Mr. Borchert, we sponsored two successful parties this year. The first was sophomores only at which those who knew how to dance taught those who didn't. After that we felt more confident so we had an all-school party at which we danced and played games.

Harriet was the lucky girl who was chosen sophomore cheerleader. We also had candidates up for Homecoming Queen.

BOTTINEAU HIGH BAND

The Bottineau High School Band, long known as one of the most outstanding High School Bands in North Dakota, has enjoyed top ratings at state music contests for the past seven years. These ratings, include not only the band itself, but soloists and ensembles as well. An active unit, the concert band performs two major concerts a year, plays for ball games, the Bottineau County Fair, and takes part in marching engagements at home and in Canada. Soloists and ensembles appear before Civic groups and in concerts as well as competing in music contests. The opportunity for individual and small groups to perform is considered an integral part of the experience of band members by Arnold Opland, capable band director.

The Concert band, numbering between 60 to 65 pieces, meets each day of the school week. The Beginners' Band, 31 members, meets four times a week and in the Elementary School a beginners class of 30 members and a grade band of 32 members meet every day.

Harlan Skar, vocal director at the Bottineau High School, assists Arnold in this tremendous band program. This year for example, Mr. Skar is working with the Senior High Marching band and the Junior High marching band.

Arnold Opland, one of the most well known and liked of North Dakota bandsmen, is a graduate of Minot State Teachers College and has attended one summer session at the University of North Dakota. In his ninth year at Bottineau, Arnold has continuously done the type of work that makes him not only a credit to his community but to the entire field of musical education as well. Our most sincere congratulations to you, Arnold Opland, and your Bottineau High Band.

The band received the following ratings in the contests in which it participated.

County Music Festival---Highly Superior
District 6 Music Contest---Highly Superior
State Class B Music Contest---Highly Superior

Soloists who participated in contests this year are as follows:

Audrey Jones-----Oboe
JoAnn Wood-----Baritone Saxophone
Gordon Jones-----French Horn

CONCERT CHOIR NEWS

The Bottineau High School Concert Choir, under the direction of Mr. Harlan Skar has had a very busy and successful year.

Competing in several music contests, the choir consisting of 54 members, has received superior ratings. The choir had two contest pieces on which they worked very hard this year. They were as follows: SING AND REJOICE and FATHER MOST HOLY.

One of the highlights of the choir's activities was the spring trip to Boissevain, Manitoba, to present two concerts, the first to people of school age and the evening concert to the public.

To wind things up during the spring term, the choir presented its annual spring concert at Thatcher Hall. This concert was sort of a farewell pledge to the choir's able director, Mr. Skar, for his two wonderful years of choir direction and management. The choir wishes to express sincere gratitude and regret to their loss of Mr. Skar, and wish that the happiness and good luck of his past two years will follow him wherever he goes.

FHA NEWS

The Future Homemakers began a very busy year by inviting the freshmen girls to their first meeting. We are happy to say that most of the freshmen girls at the first meeting were initiated into our organization later on.

One of the first events in the fall was the district rally at Belcourt. Most of the girls attended and Jean Ralston was chosen from this district to be state secretary.

The first week in November was State and National FHA Week so each day was designated for some particular activity.

With some of the fall enthusiasm over the projects and goals were being carried out. The state projects chairman designated January as "Families Together Month." Some of the other things that were emphasized were: safety, handicapped children, leadership training, tuberculosis and polio campaigns, and UNESCO.

On February 16th an all school game party was sponsored by the FHA. Each class competed in the relays and of course the pie-eating contest. When the evening came to a close the points were added up and the SENIORS were the grand winners.

Finally one of the year's highlights arrived, the state convention. The girls who attended were; Janis Gonitzke and Helen Brandvold, chapter delegates, Lona Jean Fugere, Gwen Lee, Audrey Jones, Margaret Patterson, Loueen Brandvold, Jean Ralston, State Secretary and Harriet Johnson, State Vice-President of Projects. Bottineau received high honors by being honor roll chapter and receiving the Phi Upsilon Omicron award which is given to the outstanding chapter in the state. There were also four girls who received their state homemakers degree- Jean Ralston, Audrey Jones, Harriet Johnson, and Gwen Lee.

In drawing this very busy and exciting year to a close the girls are having a program for the mothers, when degree pins will be awarded, and their usual picnic.

Miss Herigstad, our advisor, for the past two years, has been a wonderful help and we know that she has furthered our progress in earning our awards and degrees. We wish to express our greatest appreciation for all that she has done for us.

NEWS

The Bottineau F. F. A. Chapter started the year out right by receiving many awards at the State Convention which is held yearly at Fargo, N. Dak. We had two boys who received the State Farmer Degree, Donald Boguslawski, and David Tareske. Howard Lemelux received \$ 100 for winning the Farm Electrification Contest. Ronnie Brandvold received \$ 100 for winning the Soil and Water Management Contest. Reggie Gorder was elected to States Treasurer. The first State officer Bottineau had had under the supervision of Mr. James Holwell.

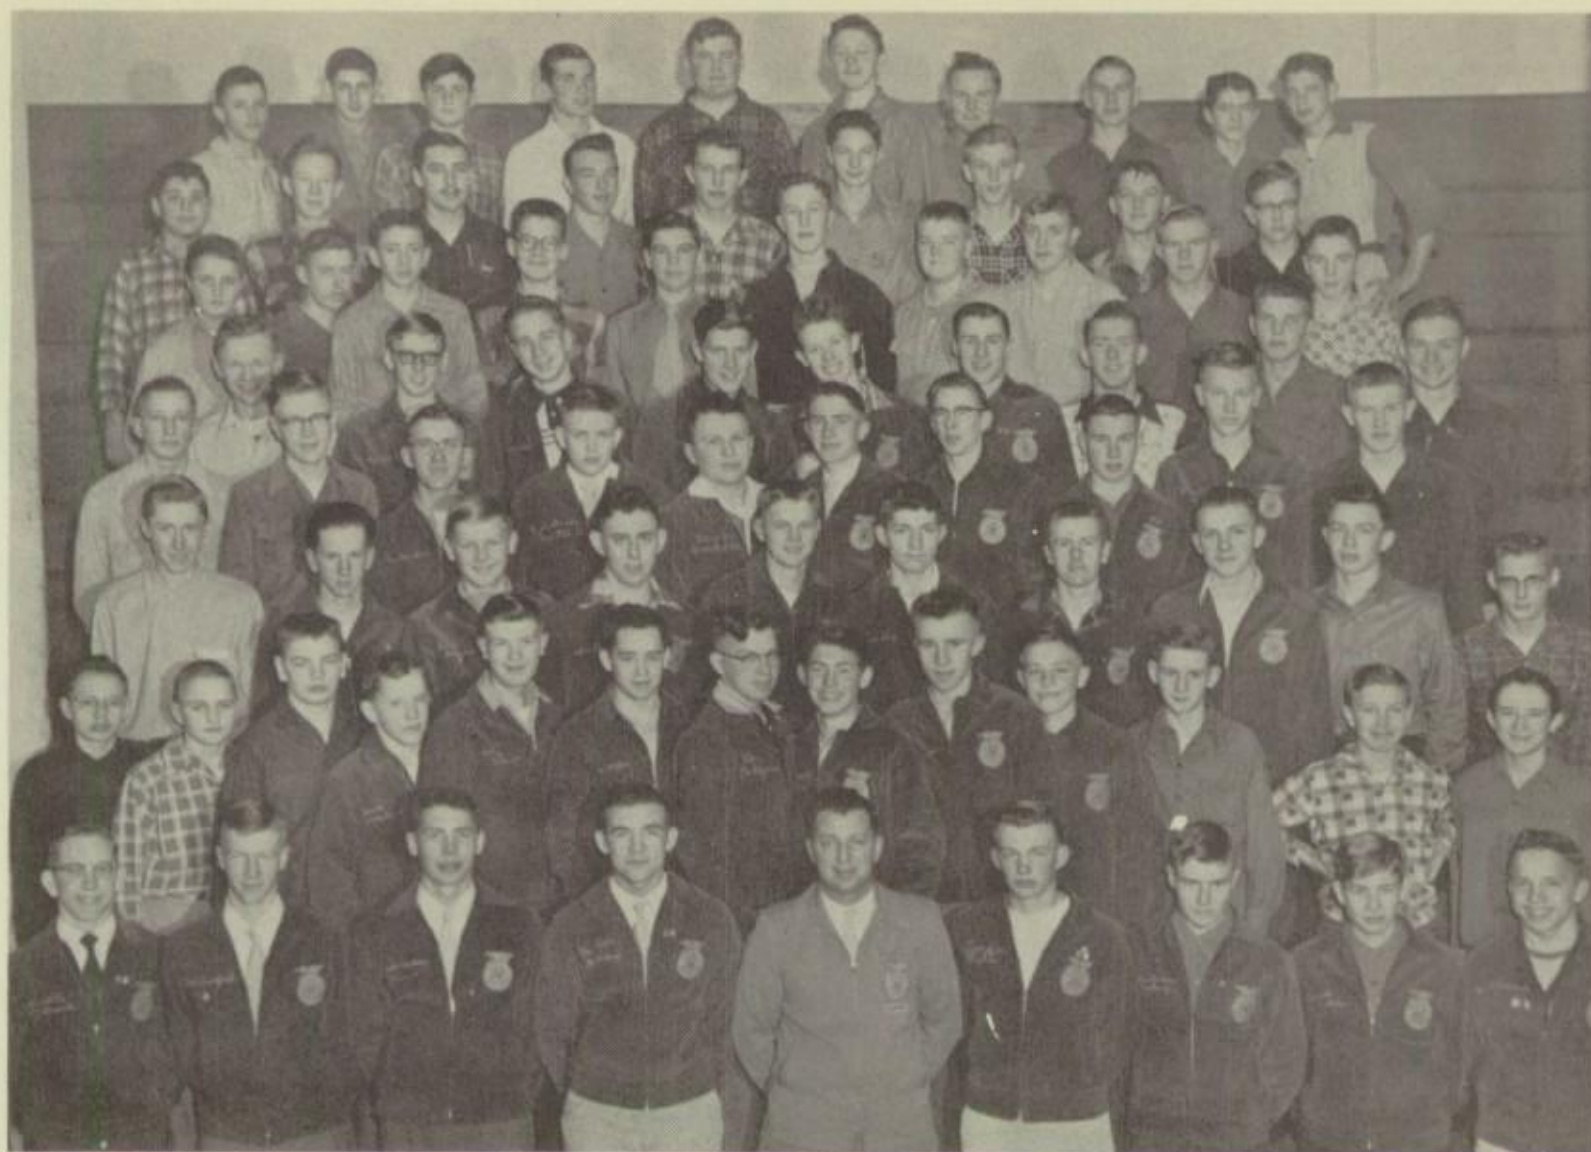

We had many other outstanding events in our F. F. A. program. Our dairy products judging team received the Gold Award. Kenneth Lillestrand was the high individual. The dairy product judging team and Mr. Holwell received the trip to Water Loo, Iowa. We also received a Gold Award at the Valley City Winter Show in Crop Judging. Wendell Lillestrand was one of the high individuals and received an all expense trip to Minneapolis, Minnesota.

The Chapter entered many various contests in 1954. We have entries in for the State Farmer degree; and the farm safety contest; the grain sanitation contest; and the fire prevention contest. We have won the fire prevention contest three years in a row. We have entries in for Farm Mechanics, Farm Electrification, and the Soil and Water Management.

On November 20 our Chapter sponsored a Parent and Son Banquet. The F. H. A. girls again served our banquet. One of the highlights of the evening was the honoring of the "Best." We had our outstanding boys in the chapter under a spotlight and then the narrator read what each boy had done for the chapter.

The Bottineau Chapter again won the District F. F. A. basketball and softball championships which were held at Towner and Bottineau respectively.

Summing up this years accomplishments, we think it has been a very successful year in the way of award and achievements.
